

TASCAM

DP-24SD

24-Track Digital Portastudio

Tested Media List (as of 2021-06-22)

The listed media were tested successfully with this model.

Over time, these specific media may become unavailable. At that time, it would be best to contact the CF/SD/USB media manufacturer directly and have them suggest the model with the most similar specifications that is currently available which remains within the maximum capacity limit.
