## DR-07X

### Stereo Handheld Audio Recorder and USB Audio Interface

#### Tested Media List (as of 2020-04-09)

The listed media were tested successfully with this model.

Over time, these specific media may become unavailable. At that time, it would be best to contact the CF/SD/USB media manufacturer directly and have them suggest the model with the most similar specifications that is currently available which remains within the maximum capacity limit.

#### microSD Cards

| Manufacturer | Model                              | Part No.            | Capacity |
|--------------|------------------------------------|---------------------|----------|
| Lexar        | Professional 1000x UHS-II          | LSDMI32GCBNA1000A   | 32 GB    |
| Panasonic    | Premium UHS-I (Class 6) R: 45 MB/s | RP-SMGA32GJK        | 32 GB    |
|              |                                    | RP-SMGA16GJK        | 16 GB    |
|              |                                    | RP-SMGA08GJK        | 8 GB     |
|              |                                    | RP-SMGA04GJK        | 4 GB     |
| Samsung      | Evo Plus                           | MB-MC32GA/EU        | 32 GB    |
