

HD-P2

Portable High-Definition Stereo Recorder

Tested Media List (as of 2015-07-27)

The listed cards were tested successfully with this model.

Over time, these specific cards may become unavailable. At that time, it would be best to contact the CF/SD card manufacturer directly and have them suggest the model with the most similar specifications that is currently available which remains within the maximum capacity limit.

Tested with firmware version 1.06
