

RC-HS20PD

Flash Start Remote Control for HS-20/HS-8

The RC-HS20PD is a remote controller for the HS-8 and **HS-20** solid-state recorders. It offers flash start with dedicated, illuminated buttons and further control through a color TFT touch screen interface. Five pages of flash start are available for a total of 100 tracks. A 100-mm fader includes fader start capability for broadcast use, and a 0-dB lock to help prevent overload. Also included are a monitor speaker and a headphones output. The RC-HC20PD connects to the recorder using CAT6 cable for long-distance runs.

Features at a glance

- Colour TFT touch screen interface
- 20 illuminated flash start keys
- Up to 100 tracks available for flash start through touch screen
- Transport and Online buttons recessed to prevent accidental operation
- 100-mm fader with fader start capability and 0-dB lock
